

GOING PAPERLESS WITH SHOWBIE

BY RENAUD DAVIES

SHARE ANYTHING

Instantly distribute documents, images, instructions and comments to your entire class, a group of students, or individual students.

PHOTOS + VIDEO

Grab an image or video from your camera roll, or capture a document on the fly with your device's camera, then crop and adjust it in Showbie.

COMMENTS, LINKS + VOICE NOTES

Quickly add instructions, guidance, or links to assignments. You can even record a voice note with verbal instructions for your students.

CLASS FOLDERS PRO

Create any number of folders within a class to keep your assignments and documents organized and easy to find.

DOCUMENTS FROM ANYWHERE

Add documents from your computer, favourite iPad app, Dropbox or Google Drive in a couple of taps.

ACCESS PRELOADED LESSONS PLANS AND ASSIGNMENTS! (BETA)

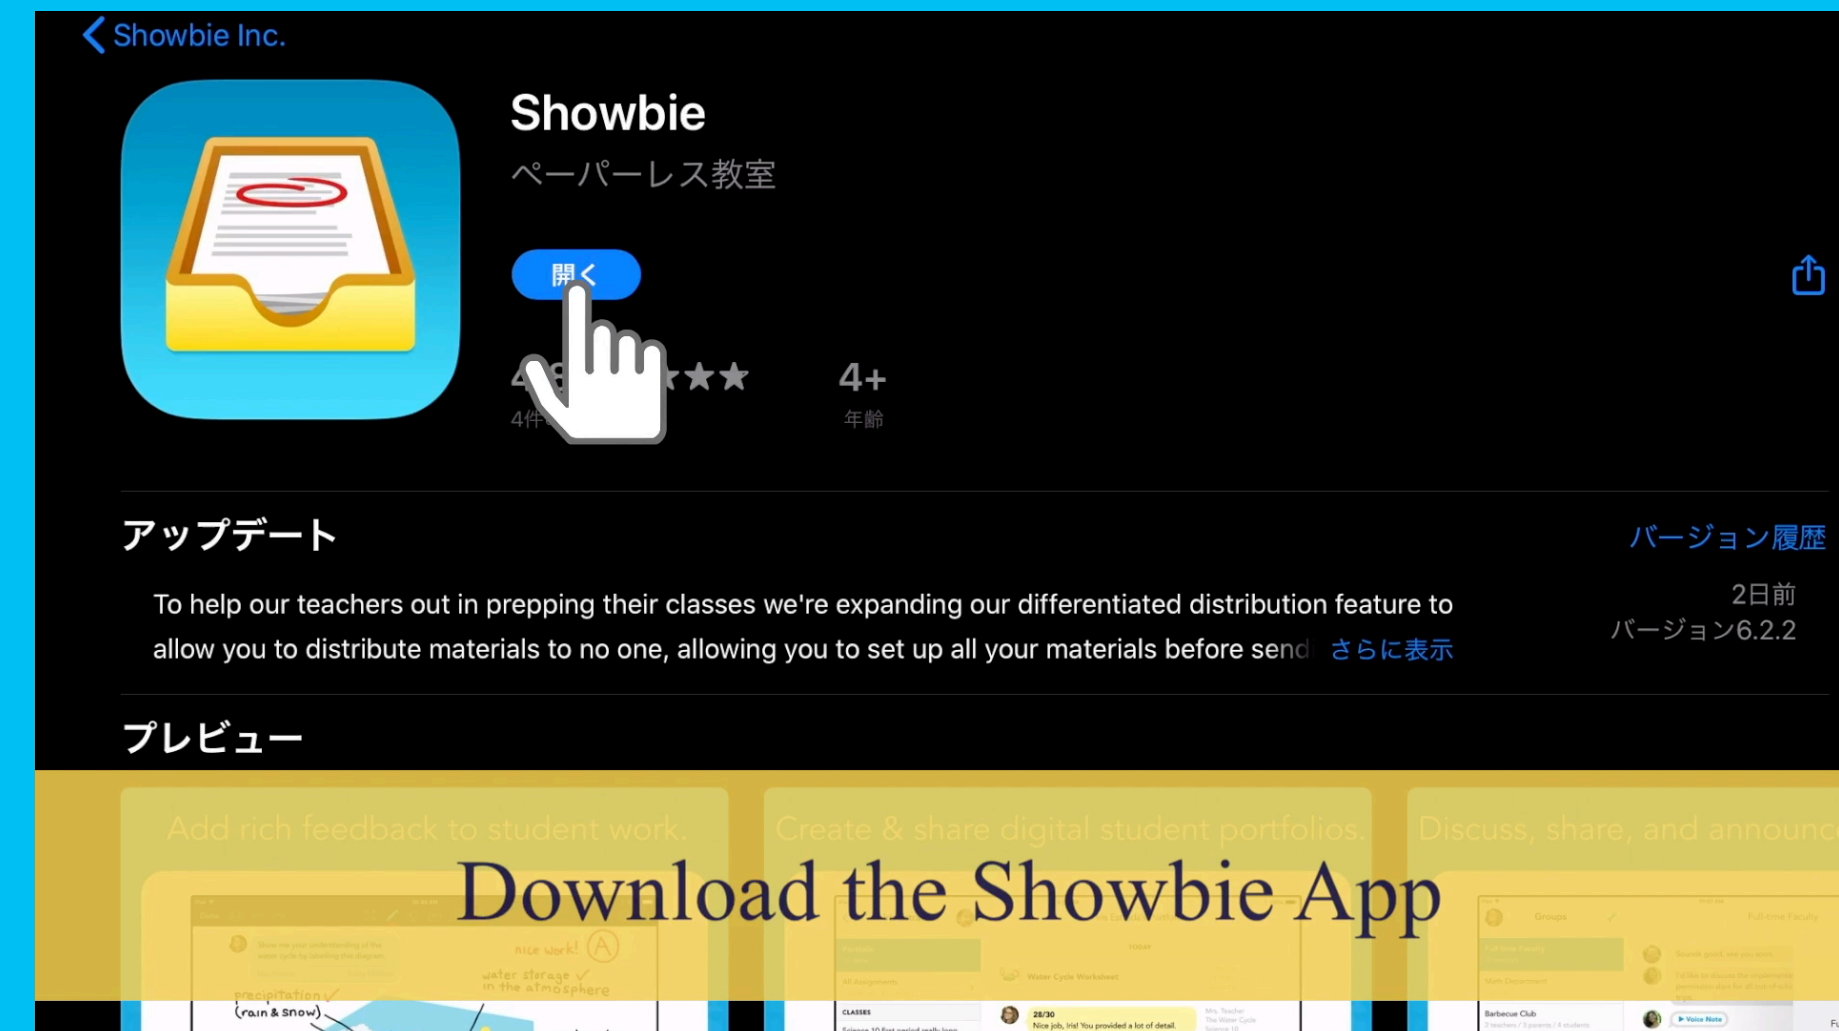

Upload your own math or language arts content or select from hundreds of assignments and lessons plans, already loaded into Showbie.

WELCOME TO SHOWBIE

CREATING AN ACCOUNT IS EASY!

- Download the App (Or use your browser)
- Create a student account
- Enter the class code
- Done!

WELCOME TO SHOWBIE

FEATURES

SMART DOCUMENT VIEWER
Showbie works like magic, displaying PDFs, images, ebooks, audio and video exactly the way you want.

PEN TOOL
Use the pen to draw right on your documents. Showbie Pro classrooms can use a wide variety of colors and line thicknesses.

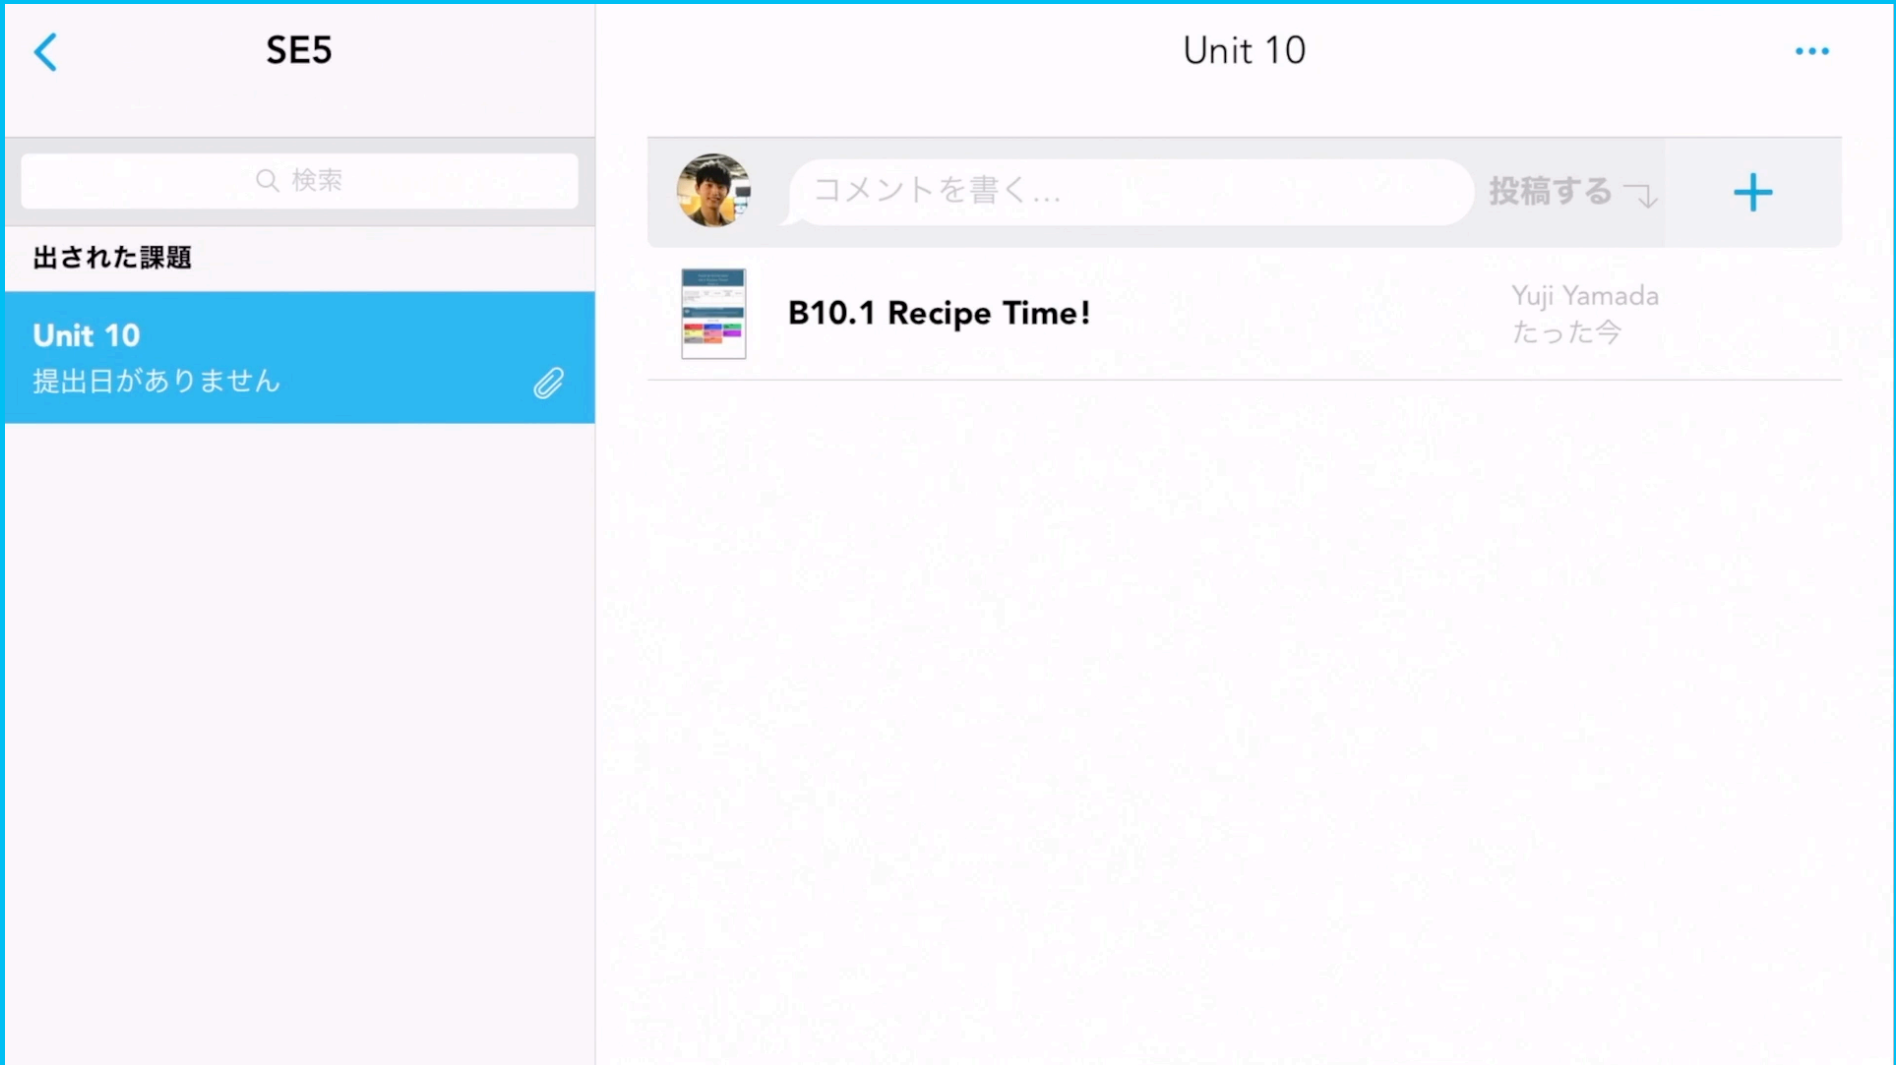

HIGHLIGHTER TOOL
Call attention to details with the highlighter tool, without worrying that the original work will be obscured by your scrawl.

TEXT TOOL
You and your students can type text directly on the page, with control over font size, color, and alignment.

PINNED VOICE NOTES
Record audio and pin it right to the page. Capture your students reading, singing, or practicing a new language with a single tap!

PRESENTATIONS
IN SHOWBIE

GRADING IN SHOWBIE PRO

QUICK MARKING

Efficiently mark and grade your students' work using the class listing within the Shared Folder.

FAST + FLEXIBLE GRADES PRO

Easily grade student work while viewing it, and add grades as a value, number or text. You also have room to add text comments.

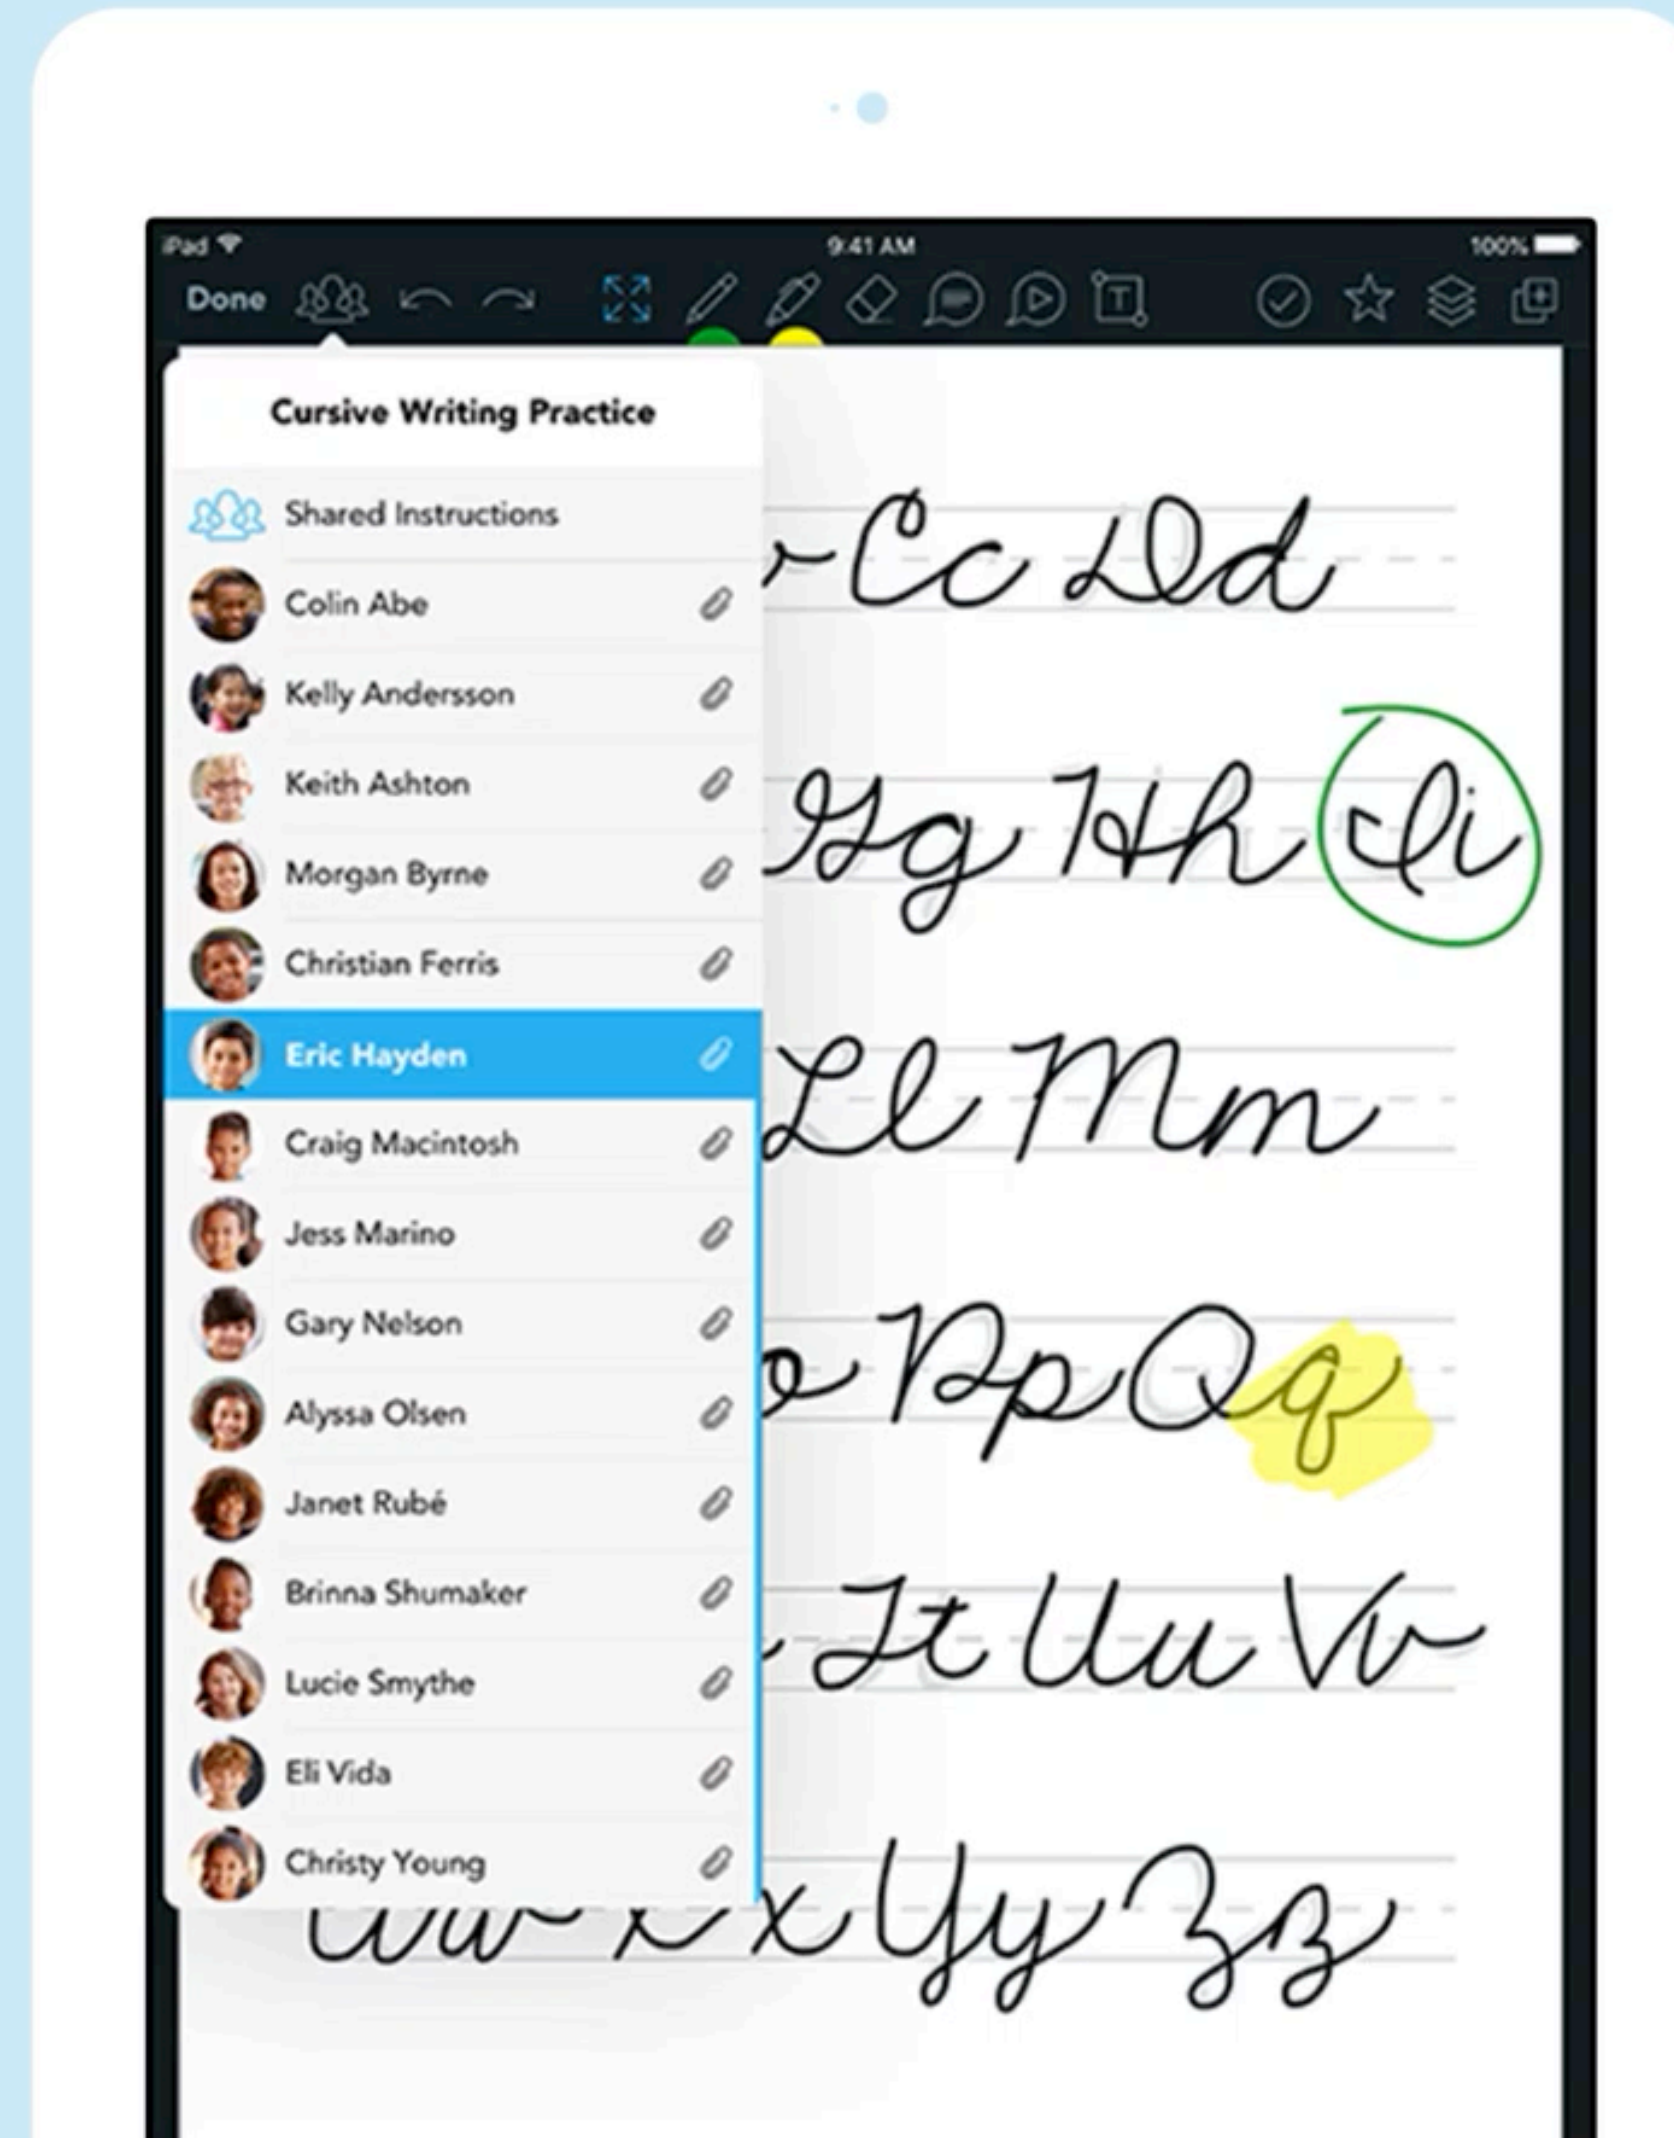

GRADES AT A GLANCE PRO

Quickly view student grades by assignment, class, or on an individual basis.

EXPORT GRADES PRO

Effortlessly export grades in a CSV file, as HTML, or in a clean, easy-to-read email template that includes an attached CSV file.

WHY DO I RECOMMEND **SHOWBIE**?

- **1. EASY AND FREE FOR STUDENTS TO CREATE AN ACCOUNT.**
- **2. USER-FRIENDLY AND INTUITIVE.**
- **3. TEACHERS HAVE CONTROL (PASSWORDS, LOCK FILES, PAUSE DISCUSSIONS).**
- **4. TEACHERS CAN ASSIGN GRADES AND EXPORT THEM.**
- **5. THERE IS A BUILT-IN PORTFOLIO.**
- **6. STUDENTS CAN UPLOAD LARGE FILES (250 MB).**
- **7. IT IS DESIGNED FOR EDUCATORS!**

THANK
YOU!
